President's Corner

This will be my last PC as President for the past three years. I hope I have not bored anyone with my ramblings. I want to thank all the members of the club for a wonderful three years. I hope I have served you well.

I think as a club we have moved forward and done some great things but these things would not have been possible without the support of you the members. Getting digital competition, the Presidents dinner, the High School Contest all these you supported and made them a success. Your support has been overwhelming and I am grateful. I am stepping down because I think it is time to do so, we need new leadership and new ideas.

To the new President and new Vice-Presidents I know you will do a great job running this club. I leave you with two board members in place, who are outstanding. Two accomplishments I am most proud of are getting digital into the club and the Presidents dinner. Digital opened the doors for many of us who were not entering competition because we had stopped shooting slides.

Digital started with a few entries and grew so much that now it out numbers slides. The Presidents dinner was something I thought the club should do to honor the past Presidents and I felt it had to be done then. Looking back the timing was right.

The one regret. The loss of Bill was a blow although we knew he was in ill health but that was something I never wanted to face. I'm grateful that I had 16 years to learn and study his great images. Bill Stewart made all of us better photographer's. I took a few of Bills prints of which I will hang two or three in my office to remind me what I learned from him, that photography is not about taking a picture, it's passion for photography, its seeing outside the envelope, it's creating and image.

This camera club will remember Bill Stewart for a long time to come. He loved this club and you could see the joy he had when he passed out the awards at the Salon. This year I will pass out the awards and I will be doing that in honor of this great photographer we all knew and will all miss.

I look forward to 2010 during which I hope I can enter better images. I hope I can be active in this club for a long time. The friends I've made, the things I have learned, and the joy I have had are "priceless".

Thank you,

T. W. Woodruff

New Feature?

Do you have a favorite place where you like to go often to shoot? Or have you been on a recent trip? Maybe there's an annual event you like to shoot?

Would you like to share some of your images and information with the other club members? If so, I thought it might be fun to give members some space in the newsletter. Please keep the text and images to less than two newsletter size pages.

You can size your images down, but leave them at full resolution so they will print better.

This will be on a first-come, first-serve basis so get your entries to me soon! Just send them to debljames@hotmail.com. If the combined size of our images and text exceeds 10 mb, please break your entry into more than one email.

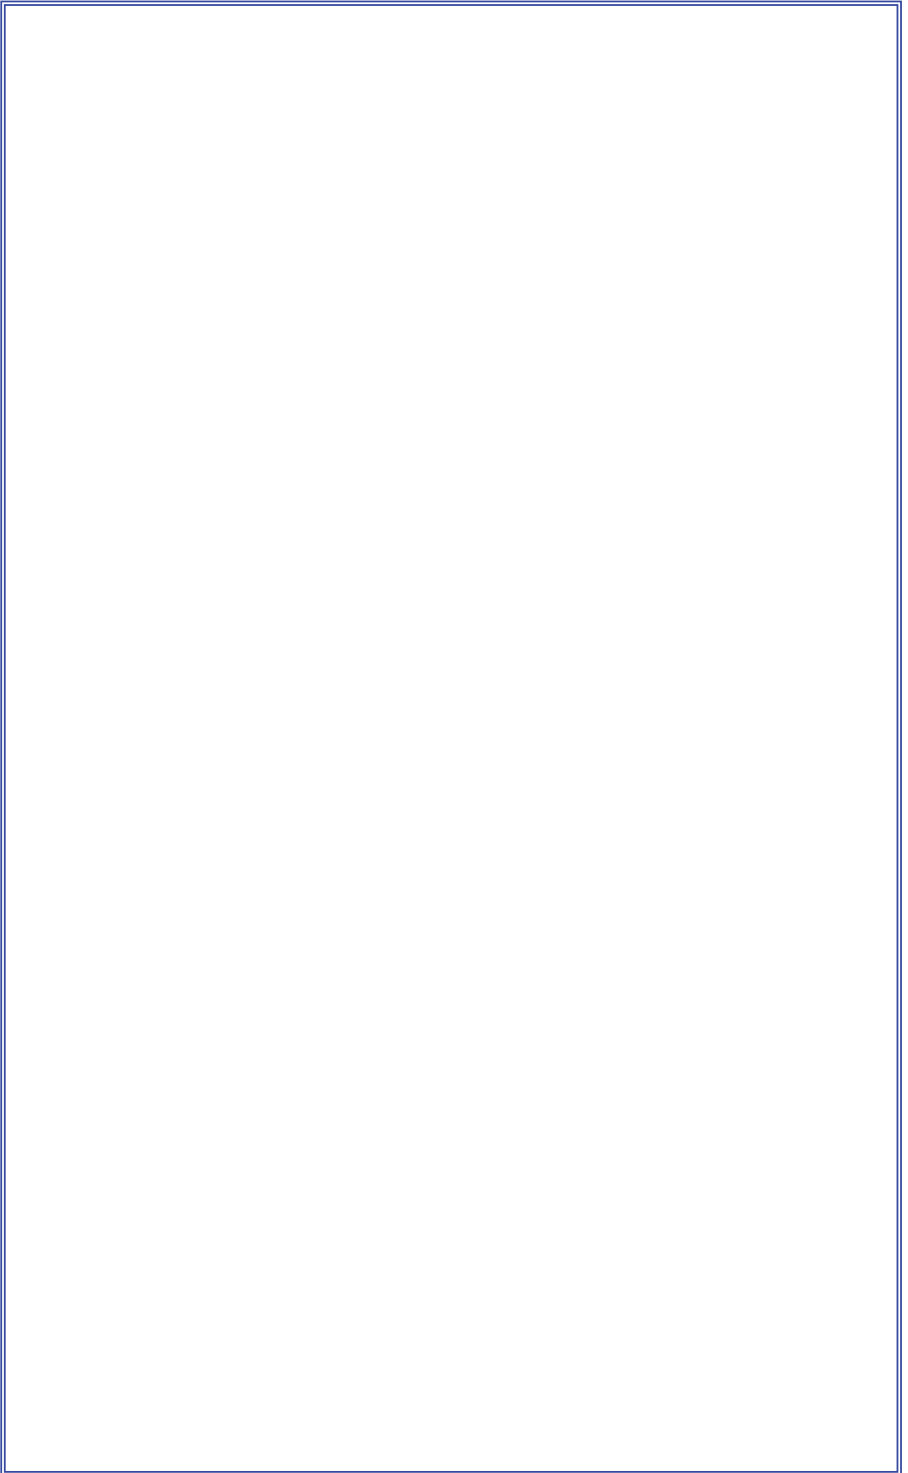

Thanks!
