## President's Corner

I think most of the members feel the rules are clearly written. But not everyone interprets the rules the same way. I think it is important that we clarify the rules to avoid this in the future. I would like a committee of three volunteers to take a look at the rules, by-laws, and constitution, and present any proposed changes to the board for review. I know that this was done in October of last year, but with all the controversy that general rule 4 stirred up, I really think we need to take another look at it. I would like to see general rule number 4 rewritten so that there is no question regarding what it states.

I am also looking for a volunteer to be the "Learning Coordinator". This person will coordinate learning workshops throughout the year.

Last but not least, the club will need a new PSA Representative to communicate and coordinate the PSA / PPCC activities.

Feel free to speak with me or another board member if you have any concerns.

Respectively,

Jerry Moldenhauer
