## **THE PRESIDENT'S CORNER**

*Jim Van Namee*

Now that elections are over, we have a Co-Presidency. Tim and I will be meeting to discuss how we will split our "duties."

Two of the things I would like to accomplish are:

Change the Constitution & By-Laws to Guidelines. I feel that as a social group we can operate with agreed upon guidelines rather than laws. My first effort will be to try and take the most important parts of our Constitution and distill them down to a set of operating guidelines and present them to the Board then the membership. Things like how much money can be spent without membership approval still need to be controlled. Other actions, I feel, can be less regimented.

Find a way to advertise our club across the Colorado Springs community to bring in more interested photographers. Especially younger photographers. Club sustainability needs infusion of younger/middle-aged folks. We have a treasury that may support some media advertising.

I still want to continue with training and travelogues.

Looking forward to next year.
