THE PRESIDENT'S CORNER

DEBI BOUCHER

Join me in welcoming Lou Faraone as our newest Pikes Peak Camera Club member! You are a welcome addition to the club, Lou - we're glad to have you!

We have a lot going on as we approach our end of the year Salon celebration on December 7th. Mark your calendars for the Show-Down Under judging on October 5. Bruce reports we are VERY close in our competition this year with the Adelaide Camera Club in Australia! Tibor Vari will be judging the 70 submitted images, (35 of ours, and 35 of theirs). Let's see if we can pull it out this year - Go Yanks!

November 16 will be the judging for Salon submissions. Please be sure to have your images submitted to Bruce by the November 9 regular meeting to give him time to organize. Everyone is welcome to attend the judging.

Many thanks to all who participated in the Pikes Peak Challenge, and to Tim Starr for taking over for Bruce while he was in Australia. The weather wasn't at all bad this year, a little cold, but the sun was out and it was a beautiful day. We had a great time on the mountain with the climb participants and in Manitou with the PPC team.

If you would like to run or nominate someone for a board position for 2017, please notify me by the October 12 regular meeting. We will vote on any board changes at the November 9 regular meeting. To my knowledge, all current board members, and our Web Administrator, PSA Liaison and PR/Field Trip Coordinator, are willing to remain in their positions for another term.

Some months ago, a club member suggested changing up the awards for Salon. The suggestion was a gift certificate to replace the plaques that are awarded for 1st place. The idea has been adopted, and \$25 gift certificates will be awarded for:

First Place Monthly Print and First Place Monthly Digital

Print - PPCC Award and President's Award, Open

Digital - PPCC Award and Editor's Award, Open

Creative - PPCC Award

The certificates will come from Cameraworks, Mike's Camera and Godec's, giving us the opportunity to thank the businesses that support our club. We will continue to award ribbons for all other categories.

November's subject is ICM - Intentional Camera Movement. Here is a great link to help you with ideas and techniques: [A Guide To Intentional Camera Movement Photography](#)

Happy Shooting! Debi

The Story Behind the Photo.....

This is a section in the newsletter where each month I ask certain club members to share their story on how they took their award winning photo.

Cover Photo of this Newsletter

”Snack Time” was made at the San Diego Zoo. I was watching this female gorilla as she settled herself in front of the gorilla behind her. Once settled, she began picking her nose, then putting it in her mouth. I have a series of images that would have made a great video as she continued on like this for some time. The real story for me is the gorilla behind her that is seemingly disgusted with the whole thing. I imagine her saying, “OMG! I don’t believe this!” September’s subject, “Make Me Laugh” seemed like the perfect time to submit this image...

“End of the Line” by Al Schwecke

"The picture was taken 9-1-1997. A slide taken a long time ago. It was one of our early trips to the top of Pikes Peak. With my trusty Nikon F-100 Film camera loaded with fuji Velvia at ASA 100. You remember ASA?? Drove to the top and started snapping like crazy. I was having a good time. I kept looking at the end of the tracks and loved the composition. Played with number of angles and finally settled on this picture. Exposure was 1/125, f8 ASA 100 with a 70 mm lens. I took good notes in the film days so I had the info. Even more luck, I found them. As I was looking for the picture in the computer when I realized this was a picture that was not scanned into the computer. Took the print I had and went to Mike's Camera. They put the picture on a disc and then on to Nancy for the newsletter. Got it done and my panic was over. Too much fun!
