## THE PRESIDENT'S CORNER

### DEBI BOUCHER

Thanks to all who braved the bitter cold and snow packed roads to make it to our annual Salon Awards and dinner! The night was filled with great food and wonderful company. Many thanks to Godec's, Cameraworks, and Mike's Camera for their generous door prizes, and thanks again to Karen Morris for donating her festive centerpieces for door prizes as well.

I would like to congratulate all our award and honorable mention winners! I trust our 1<sup>st</sup> place winners enjoyed the gift cards presented as opposed to plaques presented in previous years.

We're raising the bar - you have all done incredible work this past year. The Pikes Peak Camera Club is an extremely talented group of photographers, and I'm so very proud to be a part of this club!

As we move forward into 2017, your board will continue to make every effort to bring educational workshops, field trips, and interesting competition subjects to inspire and challenge us on our photographic journeys. We will also continue to participate in PSA interclub competitions and I expect PPCC to do very well this year!

As always, please feel free to share any thoughts and suggestions you might have.

I wish you all a happy, healthy and prosperous New Year!

Happy Shooting!

Debi

Here is a riddle for you.

What begins at the end, is constant but never the same, is captured but never possessed?

Hint- you have taken a photo of it.

A sunset.
