THE PRESIDENT'S CORNER

KAREN MORRIS

As you know, our speaker for October has cancelled.

But...we've decided to have a regular meeting/competition, with a timely subject: Fall. Hopefully, Bill Rose's daughter will be our judge. She is well qualified. If she is not available to be our official judge, we will have a little different ~ participatory ~ type of judging. Ken Read, one of our newer members, suggested a format that was successful for his camera club in Arizona. When his former camera club is unable to get a judge for their competition, camera club members vote for images.

So, we will have a regular/Zoom meeting on Wednesday, October 14, at 7:00 PM.

Subject: Fall, for digital and prints, plus our usual Open category for digital and prints, plus Creative

Upcoming events

November 4: Salon images for digital and prints are due to Bruce.

November 11: Salon judging at 5:30 – via Zoom

Regular meeting/competition at 7:00 – via Zoom.

Subject: Bottle of Wine...or Glass...or Both!

The Story Behind the Photo.....

This is a section in the newsletter where each month I ask certain club members to share their story on how they took their award winning photo.

**“Modern Conveniences”

Rita Steinhauer
Cover Photo of this Newsletter**

Last Fall I joined a “Meet-up” Group called Mindfulness Photography where we met at Monument Valley Park and proceeded to take a walk, alone, quietly, just observing our surroundings, not thinking about anything else, and just photographing what caught our interest. Most of my photos were of leaves, trees, rocks and the creek. This photo was first taken in back of Colorado College near their soccer field. I had no idea what it was other than the lighting fixtures. When I saw the subject for 2020 of “Modern Conveniences” I thought of this photo, so I went back there when the light was better, and took many photos with my camera and my iPhone 11 of these same fixtures. I finally chose one taken with my Canon Powershot SX50. This one was taken at fstop 4.5, ISO 160. I still don’t know what this is used for other than the lights.

“Turbulent Mist” by Candee Read”

I fear and respect water. I took this picture at the bottom of the Upper Falls of the Grand Canyon of the Yellowstone. I was fascinated that the same waterfall, in the same place, created this juxtaposition of massive churning water and delicate mist.

Remember...November is Election Month for our club officers. We need to fill two positions: Vice President and Treasurer. Vice President is responsible for arranging judges for our monthly meetings, and Treasurer keeps track of membership dues, and club expenses.
