The subjects for 2023 have been finalized and are included in this newsletter. A separate email will be sent out, in December, with a more complete explanation of each subject.

Additionally, Salon subjects will be sent out in a separate email, later this month.

Also included in this newsletter are the Photo Submission Guidelines for our monthly competitions.

In 2023, Don Kallus and Angela Crews will be presenting their newest book ~ AdAmAn: One Hundred Years of Ice, Wind, and Fire. Their presentation to the club this year, featuring their unique book showing Colorado Springs in the past and currently, was a truly delightful and interactive experience for attendees.

The Manitou Heritage Center is hosting a wonderful display, through December: Pikes Peak AdAmAn Club's 100th Anniversary Exhibit

The Story Behind the Photo.....

This is a section in the newsletter where each month I ask certain club members to share their story on how they took their award winning photo

Cover Photo of this Newsletter

“On the Hunt” by Debbie Milburn

"On the hunt" was taken in Katmai National Park in Alaska. We sat by the stream/creek all day. The bears were fishing, and it was so interesting to watch them catch the fish. I felt it was such a privilege to be in their territory and watch their activities. Since we were not moving and were respectful, they quickly took no notice of us. It was shot at f7.1, 1/1250, ISO 800 and 420mm. I processed it in Photoshop.

Pikes Peak Camera Club Photo Submission Guidelines

Digital images should be sent to Bruce at badufresne2@gmail.com
Make sure they get to him the weekend before the monthly meeting.

Digital images should be approx. 1920 pixels by 1080 pixels.
File size should be approx. 500 KB to 1 MB at 72 to 96 pixels per inch resolution, in .jpg format.

File naming format:

mm_yyyy_subject_title_maker name (There is no need to state the monthly subject description in place of the word "subject".)

mm_yyyy_open_title_maker name

mm_yyyy_creative_title_maker name

Each member can submit 2 images per category

Prints should be matted and mounted on illustration board, or something similar. Keep it simple. Put your label on the back of the print. Use the naming format above. You can use a sticky note.

You can enter 2 prints/category (the 3 stated above).
So, theoretically, you could enter 6 digital images and 6 printed images every monthly competition.
